Sir,

Sub:- L.A. Harijan Welfare Bellary District - Bellary Taluk - Allipuram h/o Kolagal village - S.No. 861 - provision of house sites Draft notification

---

The District Welfare Officer, Bellary reports that 20 Harijan families residing in Allipuram h/o Kolagal village of Bellary Taluk have to be provided with house sites to relieve congestion in the cheri. He has selected S.No. 861 of that village for the purpose. It has been approved by the District Health Officer, Bellary as suitable for house sites. It is adjoins the existing Harijan Cheri and lies to the south of the Bellary-Hospet road. The land is a patta land and has to be acquired under the provisions of the L.A.Act. An extent of Ac. 1-00 will be required for house sites and another extent of 60 cents for communal purposes and future requirements. I therefore submit draft notification under section 4(1) of the L.A.Act in duplicate for an extent of Ac. 1-60 in S.No 861, for approval and publication.

2. There is no other Government vacant site available for the purpose out of the 20 Harijan families to whom house sites have to be provided four families have huts and the owners are willing to relinquish their old sites when new sites are made available. The remaining 16 families do not own any house sites or houses. The District Welfare Officer has assessed the paying capacity of the Harijans. As they are all found to be too poor to pay anything towards the cost of acquisition, the entire cost may be met by Government. The approximate cost of acquisition is Rs. 1840/- at Rs. 1000/- per acre, including solatium of 15%

3. An extent of about an acre of land out of the extent proposed for acquisition has been under occupation by brick yards from 1943. The remaining extent is under cultivation. Hingari cholam has been raised. The land is reported to be valuable. Objections if any, of the pattadars will be heard during enquiry under section 5 A.

4. The selected site is also close to the labour well. The site is quite suitable for the purpose. The Harijans are willing to have the site.
